

How to Add Meal Funds to a Student Account

- 1 Navigate to <https://lingconnect.com/main>

- 2 Click "Register." If you already have an account, click "Sign In" and go to step 6.

- 3 Click the "First Name *" field and fill out the form.

The screenshot shows the registration form on the LINQ Connect website. At the top, there is a header with a menu icon, the LINQ Connect logo, and the text "Welcome to LINQ Connect!". Below this is a dark blue section titled "Register". Underneath the title, a message states: "Please complete fields to register a new account in LINQ Connect. Required fields are marked with *." The form contains several input fields: "First Name *" (highlighted with an orange circle), "Last Name *", "Email *", "Password *", "Confirm Password *", and a "Language *" dropdown menu currently set to "English". At the bottom of the form, there is a checkbox labeled "I agree to the Terms of Service." followed by an asterisk.

4 Accept the Terms of Service.

6 Enter your password and Sign In

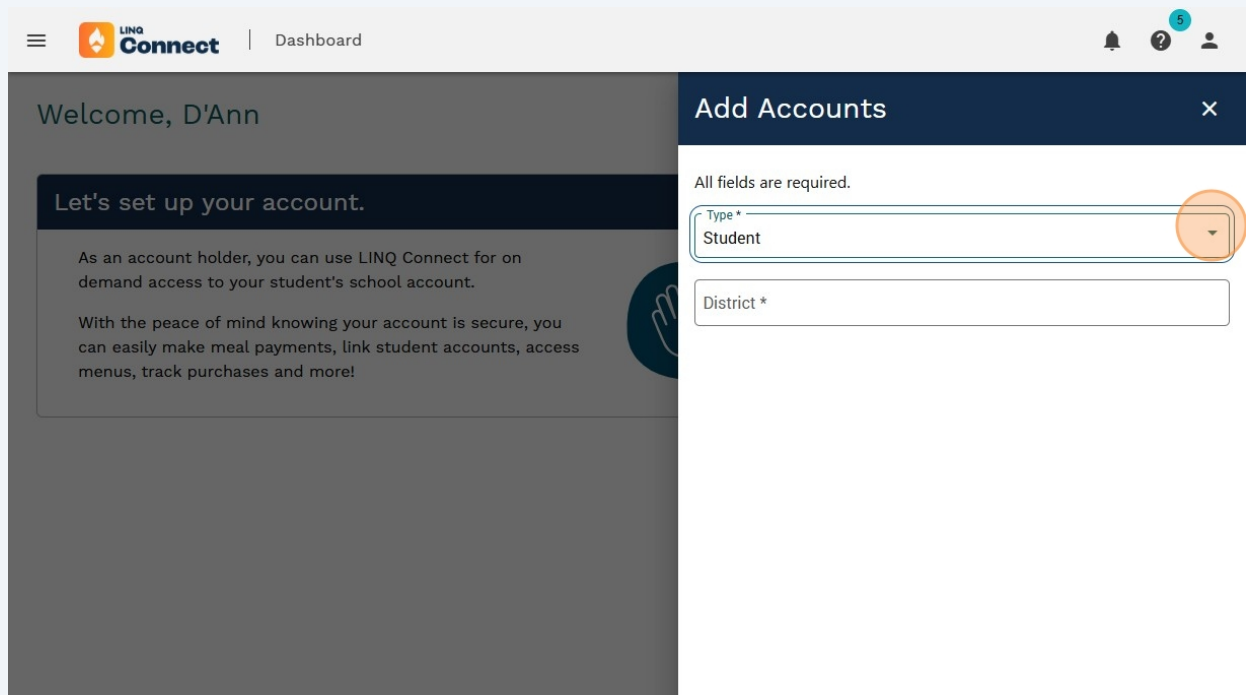

The image shows a sign-in interface for LINQ Connect. At the top is the LINQ logo, followed by the word "Welcome" and the text "Sign in to LINQ Connect". Below this are two input fields: "Email address*" containing "meals@greatheartstxschools.org" and "Password*" with masked characters. A "FORGOT PASSWORD?" link is positioned below the password field. At the bottom is a dark blue "SIGN IN" button, which is highlighted with an orange circle.

7 To add a student (or staff), click "Link Accounts"

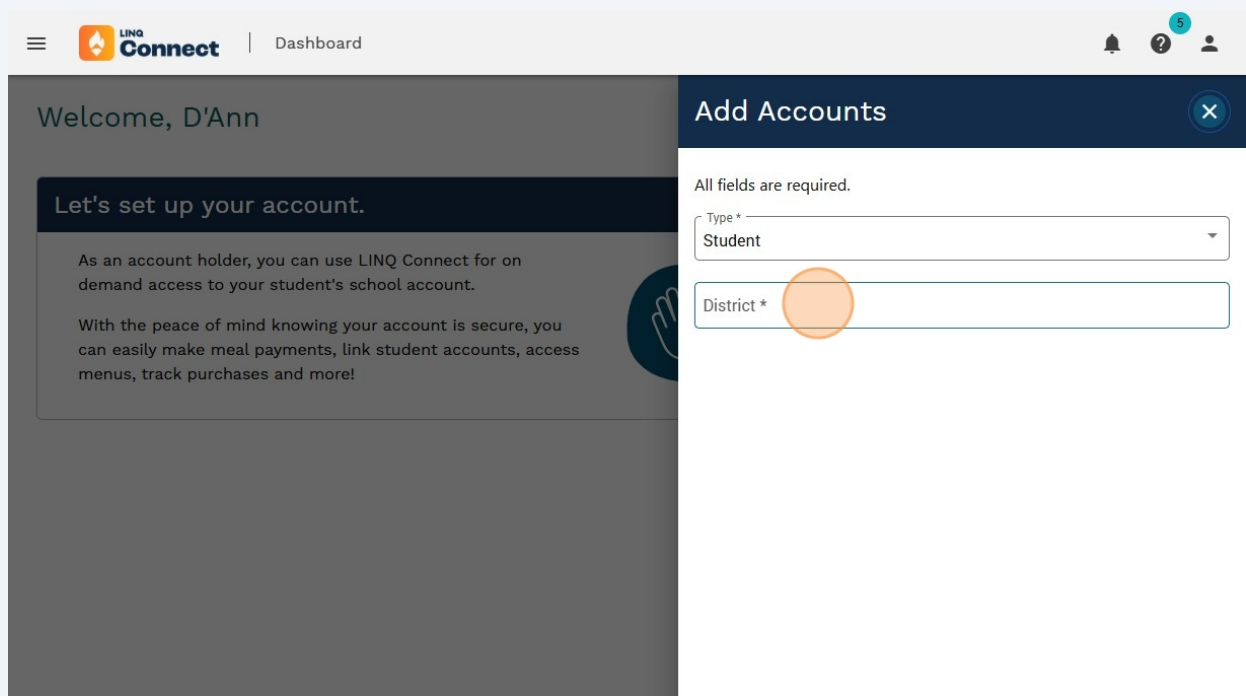

The image displays the LINQ Connect dashboard for a user named D'Ann. The header includes the LINQ Connect logo, a "Dashboard" label, and notification icons. The main content area is divided into two columns. The left column features a "Welcome, D'Ann" message and a "Let's set up your account." section with instructions on using LINQ Connect for meal payments and account linking, accompanied by a hand icon. The right column has a "Linked Accounts" section with the text "To ensure seamless access and monitor your purchases, link an account." and a "LINK ACCOUNTS" button, which is highlighted with an orange circle.

8 Click in the "Type" box and choose Student or Staff.

The screenshot shows the LINQ Connect dashboard. On the left, a sidebar contains a welcome message: "Welcome, D'Ann" and "Let's set up your account." with instructions for account holders. On the right, the "Add Accounts" modal is open. It has a dark blue header with a close button. Below the header, it says "All fields are required." There are two input fields: "Type *" with a dropdown menu showing "Student" (highlighted with an orange circle) and "District *".

9 Click the "District *" field.

This screenshot is identical to the previous one, showing the LINQ Connect dashboard and the "Add Accounts" modal. In this step, the "District *" input field is highlighted with an orange circle, indicating where the user should click next.

10

Start typing "Great Hearts" and click "Great Hearts Texas (San Antonio, Texas)" when it appears.

The screenshot shows a 'Welcome, D'Ann' message on the left and an 'Add Accounts' modal on the right. The modal contains a list of districts under the heading 'All fields are required.' The 'District' dropdown is open, showing a list of districts. 'Great Hearts Texas (San Antonio, Texas)' is highlighted with a green circle.

Let's set up your account.

As an account holder, you can use LINQ Connect for on demand access to your student's school account.

With the peace of mind knowing your account is secure, you can easily make meal payments, link student accounts, access menus, track purchases and more!

Add Accounts [X]

All fields are required.

Type *
Student

District *
Great

- Great Hearts Louisiana (Baton Rouge, Louisiana)
- Great Hearts Texas (San Antonio, Texas)**
- Greater Johnstown School District (Johnstown, New York)
- Greater Rutland County Supervisory Union (Rutland, Vermont)

11

Fill out the Form.

The screenshot shows the 'Add Accounts' modal with the form fields filled out. The 'Type' dropdown is set to 'Student', the 'District' dropdown is set to 'Great Hearts Texas', and the 'Student Id' field is filled with 'test'. The 'First Name' field is filled with 'Test' and the 'Last Name' field is filled with 'Student'. The 'Date of Birth' field is filled with '01/01/2011'. The 'ADD' button is highlighted with a green circle.
